Google Play(Android) 、 APP Store(iOS) 搜尋「Ivanti Secure Access Client」

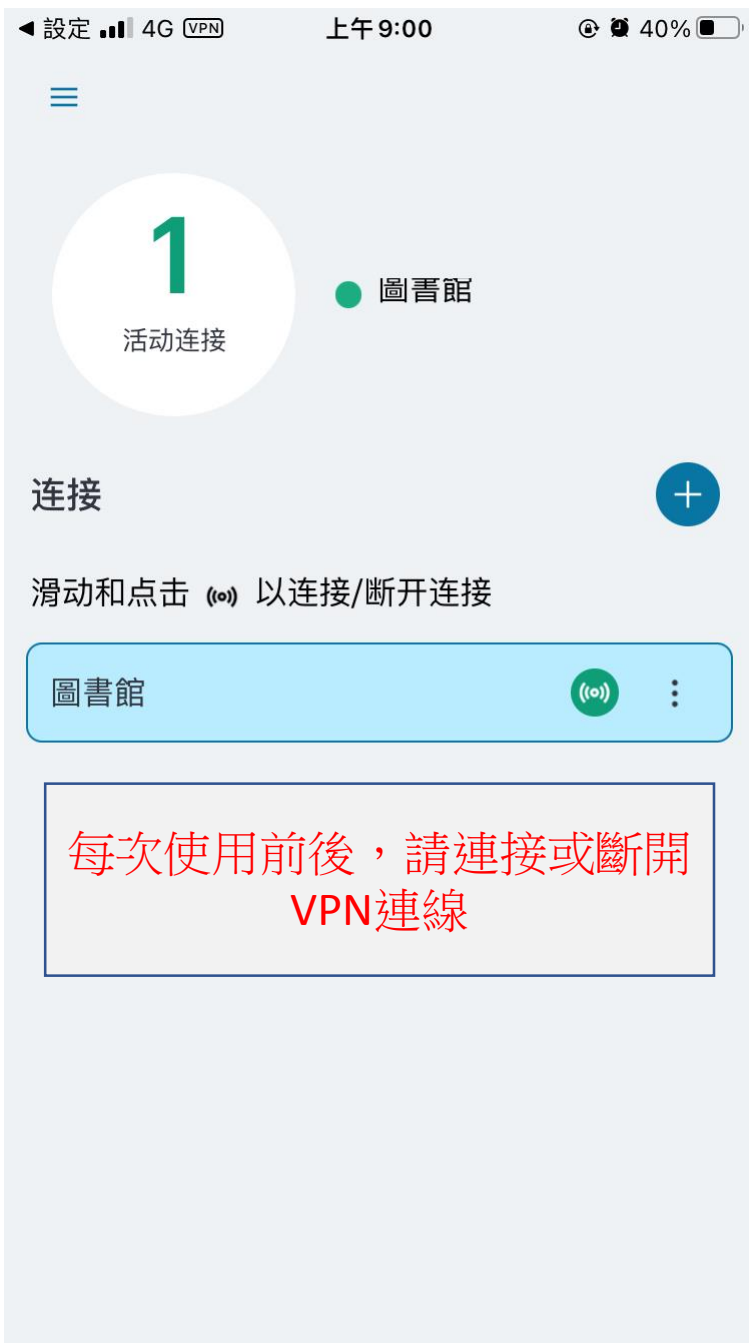

URL: <https://59.125.14.80/e-learning>

Search results for "ivanti secure access" on Google Play. The top result is "Ivanti Secure Access Client" (商業) with 508 reviews. Below it is "VPN - Unlimited 網..." (VPN for iPhone, Super f...) with 1.6萬 reviews. The bottom navigation bar shows "Today", "遊戲", "App", "Arcade", and "搜尋".

Welcome screen of the Ivanti Secure Access Client app. It displays the Ivanti logo and the text "Secure Access Client". Below, it prompts the user to enter their company's email address or URL. A red box highlights the input field containing "https://59.125.14.80/e-learning". A blue "连接" (Connect) button is at the bottom right. The version number "版本 22.2.1.90503" and copyright "© 2010-2022 by Ivanti, Inc. 保留所有权利。" are at the bottom.

"添加连接" (Add Connection) screen. It shows a list of connection policies, with "Policy Secure (UAC) 或 Connect Secure (...)" selected. A red box highlights the "连接名称" (Connection Name) field containing "圖書館" (Library). Another red box highlights the "URL *" field containing "https://59.125.14.80/e-learning". Other fields include "用户名" (Username), "身份验证类型" (Authentication Type), "领域" (Domain), and "角色" (Role), all with "(可选)" (Optional) below them. Blue "添加" (Add) and "连接" (Connect) buttons are at the bottom.

VPN login screen for Taichung Veterans General Hospital. It features the hospital's logo and the text "臺中榮總VPN(Remote Access SSL VPN)". Below, it instructs the user to sign in to begin their secure session. Two examples are provided: "院內mail帳號範例 librarychen" and "院內mail密碼範例 yy1234". A green "登入(Sign In)" button is at the bottom. The URL "https://59.125.14.80/dana-na/auth/url_h21cVZwnDAOt" is at the top right, with a "取消" (Cancel) button next to it.

- 連接VPN後，即可使用圖書館網頁中所有電子資源
- 如果有安裝操作問題，請洽資訊室分機2121
